Short Healthcare Clip

- Choose an English video, Reel or podcast clip related to healthcare.
- Your clip should be no longer than 2 minutes.
- You may use a medical TV series, an educational video, a podcast, an interview or another relevant source.
- Briefly introduce the clip and explain its context.
- Prepare **five questions** for your classmates:
- two questions about vocabulary or medical terminology
- two questions about specific details
- one question for discussion or personal reflection
- Make sure the audio is clear and the content is appropriate for the classroom.
- Be ready to play the clip and lead a short class discussion.
